EU ETS, Voyage Overview <ul style="list-style-type: none"> For charterers but not only Station 3: Onboard Reports, Fleet View, Technical Performance, Performance Table <ul style="list-style-type: none"> For ship owners but not only
16:10-16:30	Feedback / Q&A and closing words	Jori Poikola , Director of Sales, NAPA Shipping Solutions	
16:30-18:00	SS Rotterdam engine room tour	Location: SS Rotterdam	<ul style="list-style-type: none"> Exclusively to our NAPA Seminar visitors, we are organizing Steam & Chrome Tour on SS Rotterdam Ship. This tour will take you to the lower decks. Despite the screeching and whistling sounds, each part served its purpose for the ship. Today the engine rooms have technically 'retired', but they still make an impressive sight. With an audiophone and under the guidance of a ship host you will learn more about the ingenious system of evaporators, boilers, turbines and generators that provided all power on board.
18:30-21:00	Dinner	Location: Room Lido, SS Rotterdam	Lido is situated on the Promenade Deck and is characterized by many windows. You experience a sense of freedom when you enter this gorgeous and spacious room.
